CALL FOR PAPERS

The Balkan Light 2024 is the 8th Balkan Light Conference with the special topic "**Future of Lighting: Efficient and Intelligent**" and will take place in Istanbul, Türkiye. Balkan Light Conferences have been held every 3 years and serve as the premier Balkan and international forum in the field of lighting. However, the 8th Balkan Light Conference will be held 6 years later due to the pandemic and economic difficulties. Previous Balkan Light conferences have been held in the following years and locations:

1999 - Varna, Bulgaria
2002 - Istanbul, Türkiye
2005 - Cluj-Napoca, Romania
2008 - Ljubljana, Slovenia
2012 - Belgrade, Serbia
2015 - Athens, Greece
2018 - Sofia, Bulgaria & Varna, Bulgaria

This year, the Balkan Light 2024 will be organized at the Istanbul Lutfi Kırdar International Convention and Exhibition Centre on 28-29 November 2024, hosted by the Turkish National Committee on Illumination (ATMK). The **Light + Intelligent Building Istanbul** fair will be held on 27-29 November 2024 in the same venue as the conference.
